

OARNet Instructions for Participating in Security Video Conference

To participate in the conference:

For the StateNets videoconference on June 6 at 2:00 EST, please refer to P#162 and send the following to support@oar.net:

-name

-phone number

-IP address

You will be asked to do a short test. Please call the Support Center at 800.627.6420 to schedule a test.

The dialing string is GDS# 011897810162 and all participants need to register their equipment to a VideNet gatekeeper. If you do not have a gatekeeper, you may want to register to the commons at 192.148.244.115.

If you would like to join the conference via phone, you may call the MCU by dialing 614 827 9308

If you have any questions, please call the OARNet Support Center at 800.627.6420.

Please refer to the Videoconferencing Guidelines document found at
