

# CALEA Tech Expert Group

(as of 1/25/2007)

## Purpose of the Tech Expert Group:

- 1) Follow the standards process and help determine the extent of technical obligation under CALEA as determined in the Court Decision.
- 2) Help disseminate accurate information to our members
- 3) Be available to advise the EDUCAUSE Policy office as needed

## How members were chosen:

Members were contacted and asked to volunteer on the basis of getting a representative from each geographic region of the United States and a representative from each of these five categories: campus, campus system, state network, regional network, Internet2.

## Current members:
