

Discussion Questions
ELI Web Seminar with Ellen Wagner
“Mobile Matters: Why Learning Professionals Need to Care”
February 20, 2007

Use these three questions to help organize your thoughts from the Web seminar.

Question	Notes
What insights are you taking away from this discussion of mobile learning?	
What is the current status of mobile learning on your campus?	
How well do your campus services align with the needs and expectations of mobile learners?	

Suggested discussion questions for this session include:

- What are student expectations for mobile learning? How do they align with faculty expectations?
- Where might mobile learning fit in your campus curriculum?
- How can independent learning be encouraged through mobile devices? What about collaborative learning?
- What are the barriers to mobile learning on your campus?
- As mobile devices become more pervasive, what are the implications for curricular change? Faculty development? Services and support?
- What role do mobile devices play in the design and development of:
 - Physical and virtual learning spaces?
 - Formal and informal learning spaces?
