Detection of Red Flags

The Program will detect red flags relevant to each type of covered account as follows:

1. **Refund of a credit balance involving a PLUS loan** – As directed by federal regulation (U.S. Department of Education) these balance are required to be refunded in the parent’s name and mailed to their address on file within the time period specified. No request is required. **Red Flag** – none as this is initiated by the College.
2. **Refund of credit balance, no PLUS loan** – requests from current students must be made in person by presenting a picture ID or in writing from the student’s college issued e-mail account. The refund check can only be mailed to an address on file or picked up in person by showing picture ID. mitigating Identity Theft, determining which steps of prevention and mitigation should be taken in particular circumstances and considering periodic changes to the Program.

Updating the Program

This Program will be periodically reviewed and updated to reflect changes in risks to students and the soundness of the College from identity theft. At least once per year in October, the Program Administrator will consider the College's experiences with identity theft, changes in identity theft methods, changes in identity theft detection and prevention methods, changes in types of accounts the College maintains and changes in the College's business arrangements with other entities. After considering these factors, the Program Administrator will determine whether changes to the Program, including the listing of Red Flags, are warranted. If warranted, the Program Administrator will update the Program.

Staff Training

College staff responsible for implementing the Program shall be trained either by or under the direction of the Program Administrator in the detection of Red Flags, and the responsive steps to be taken when a Red Flag is detected.

Oversight of Service Provider Arrangements

The College shall take steps to ensure that the activity of a service provider is conducted in accordance with reasonable policies and procedures designed to detect, prevent and mitigate the risk of identity theft whenever the organization engages a service provider to perform an activity in connection with one or more covered accounts.

Currently the College uses ECSI to administer the Tuition Payment Plan and the Perkins Loan. Students contact ECSI directly through its website or by telephone and provide personally identifying information to be matched to the records that the College has provided to ECSI.
