

Net@EDU Identity Management Working Group Annual Report, 2006 - 2007

Accomplishments of the IDM WG:

- Set up Steering Committee that meets every other week to discuss items
- Gathered information from the listserv and EDUCAUSE meetings to correlate focus points defined by higher ed
- Setting up the Wiki for posting of useful Identity Management data
- Searching for candidates and volunteers to work on topics of interest
- Worked with NMI-Edit on the Authentication Roadmap and Camps related to Identity Management
