EDUCAUSE is a nonprofit association whose mission is to advance higher education by promoting the intelligent use of information technology. Membership is open to institutions of higher education, corporations serving the higher education information technology market, and other related associations and organizations. Resources include professional development activities; print and electronic publications, including books, monographs, and the magazines *EDUCAUSE Quarterly* and *EDUCAUSE Review*; strategic policy advocacy; teaching and learning initiatives; applied research; special interest collaborative communities; awards for leadership and exemplary practices; and extensive online information services. The current membership comprises more than 1,900 colleges, universities, and educational organizations, including 200 corporations, with 14,000 active members. EDUCAUSE has offices in Boulder, Colorado, and Washington, D.C.; [www.educause.edu](http://www.educause.edu), e-mail [info@educause.edu](mailto:info@educause.edu).

# APPENDIX B

## 2004 Core Data Service Participating Institutions

The following 908 institutions had completed and submitted the 2004 EDUCAUSE core data survey at the time of the publication of this report in the fall of 2005. In parentheses after each institution's name is its Carnegie classification for U.S. institutions and the country in which it is located for international institutions. Results reported in this report are aggregates of data from the 890 surveys that were in the database when it was frozen in May 2005 for analysis.
